Well, it's back to school time ... and therefore back to resuming a regular schedule for some ... so in order to add to your list of agenda items --- here are a few more:

Our last general meeting was in April (so it's been awhile) at the Stone Creek Dining Company in the Metropolis Mall. Lorraine Wright with IDEM was the evening speaker and gave a presentation on the Tie Card Pilot Project for Indiana. We had a good turnout for the meeting as 23 attendees came for the meeting and meal (*by the way -- thanks to Brian Haggard for the arrangements -- great food!*) More information regarding this project is available online and the site is hosted by the Indiana Geological Survey. It can be accessed at <http://igs.indiana.edu/>. The IGS page also contains a link to the Indiana Historical Aerial Photo Index. If you haven't had the opportunity to view the site, take a minute and check it out. And if you should have any questions for Lorraine, she can be contacted by e-mail at lwright@idem.IN.gov

***** **Saluting the End of Summer** *****

Don't forget our evening at **Victory Field** was rescheduled for **Thursday, August 28th (7PM game - see attached flyer)**. So make sure to reserve your seats for the annual event. If the past few days has been any indication of the weather we may experience -- we are no doubt in for a great time. Contact Ryan Swingley at (317) 544-4996 or e-mail at rswingley@usiconsultants.com to reserve your tickets.

***** **Annual CIC-ISPLS Golf Outing** *****

Our Annual Golf Outing will once again be held at Maple Creek Golf Club on East 21st Street in Indianapolis. The date is set for **Friday, September 26th** with a starting time of **9:00AM**. Please see the attached flyer for more information and contact Craig Williams with your reservations and/or questions at (317) 545-7090 or e-mail at cwilliams@seilerinst.com

Remember: Proceeds from this event fund the Central Indiana Chapter's Scholarship for both Vincennes University and Purdue University Surveying Students. So, please help the chapter continue these scholarships through your hooks, slices, and duffs (*each of which can be eased with purchase of one or more mulligans*)

For more information on Maple Creek Golf Club visit their website at www.maplecreekgc.com

***** **More on the Boy Scout Merit Badge Program** *****

Stay tuned for the upcoming publication of the Hoosier Surveyor (see http://www.ispls.org/surveyingnews/survnews_hs.htm) which should include coverage of the Boy Scout Merit Badge Program held earlier in May at Camp Belzer. Thanks to all of those who volunteered their time and efforts to this program.

Hope to see you all at the Oaken Barrel on the 21st!
