Grant Request Evaluation: *In keeping with the IPLSF “Statement of Purpose” to provide funds for research, development, and/or other projects that promote the Profession of Surveying and/or aid in the manner by which the Professional Surveying community can service their customers to a greater degree.*

Grants may be awarded based on the evaluation of a written request. The amount of the grant will be determined based on available designated funds and the perceived benefit to the profession of surveying. Grants may be awarded to individuals, businesses, or institutions based on the evaluation of the request as outlined above.

The IPLSF operates on a fiscal year beginning July 1 through June 30 of the following calendar year, therefore the filing for Grant Request should be made by April 1 to receive priority consideration for the next fiscal year funding. Applications made outside of the fiscal year window or after April 1st will still be considered, but please expect 45 to 60 days for proper consideration.

Describe the purpose of this Grant request: (Use additional pages as necessary).
